Stage 1: Planning OA publishing

1: Is your favorite journal an OA journal

YES: Just go ahead and publish.
NO: Move on to block 2.
I DON´T KNOW: List of open access PIL journals, see file
FAVORITE NOT ON LIST?: Use https://journalcheckertool.org/

2: Do you have access to OA funding?

YES: Funding is included e.g. in your project -> Just go ahead and contact the publisher of your choice.
NO: Where can I find OA funding?
-> Finelib has agreements that covers some PIL/HR journals, see file
-> check for vouchers at your university.

3: Concerned more with JUFO-points than OA?

YES: Crosscheck with the Jufo-database. (filter searches with journals in DOAJ and according to parallellpublicing policy (mark "Sherpa/Romeo": green and blue (allowing final version or postprint)
NO: Please proceed.

4: Do you wish to publish OA and don´t need a journal for it?

YES: Publish in an OA university paper series (e.g. ÅAU Institute for Human Rights WP series). Publish on an OA platform/repository, see file
NO: Start all over again.

Stage 2: Doing OA publishing

1: Did you submit to an OA journal?

YES: Link to that journal/upload to your institutional repository.
NO: Move on to next.

2: Have you registered and uploaded your publication to your institutional repository?

YES: Good! You have now published OA.
NO: Submit asap a version of your publication.
DONT´T KNOW WHICH VERSION TO UPLOAD?
Check Sherpa Romeo
