CHALLENGE TURKU 2016

WHAT?

CHALLENGE TURKU 2016 is a weekend long innovation camp for students that is organized by the University of Turku in co-operation with other higher education institutes in Turku, The city of Turku and other partners. The participants work in multidisciplinary teams to develop innovative solutions to given challenges. Every team has a dedicated tutor who will help and guide the team throughout the challenge.

WHY?

Gain 1 ECTS credit

Learn to exploit and develop skills in multidisciplinary problem solving.

Develop general life skills (presenting, co-op, delegation, negotiation and decision making)

Learn to recognize, exploit and create opportunities

Create networks with other higher education students and working life

WHEN?

April 8-10, 2016

WHERE?

SparkUp, Tykistökatu 4.

The kick off is at **18:00 on Friday the 8th of April and end at 14:00 on Sunday the 10th.**

During the camp the participants work, eat and have fun at the newly built and modern SparkUp premises.

This year all challenges are about **creating the student city of your dreams**. The exact themes and challenges will be kept secret until the beginning of the camp. Check out our Facebook page for clues. All you need to do is bring your skills, knowledge and curiosity with you!

The participants will be divided into multidisciplinary teams at the beginning of the camp. The team with the bests innovation will be rewarded!

Participant registration to **CHALLENGE TURKU 2016** is open from March 9th to April 8th, 2016: the camp is limited to a maximum of 60 participants, accepted in the enrolment order. To make sure you are in, fill in your application NOW at: <http://goo.gl/forms/4z11wVabZK>
